

EGHAM PARK SCHOOL

Message from your Principal, Nicki

Dear Parents, Carers and Students

The Summer Holidays seem like a distant memory! It has been a very busy and productive half-term with lots of fun whilst we've been learning. The big news was of course our first Ofsted Inspection, the report for which we will share with you as soon as it is available. Thank you all for your kind words and support during this process, we really appreciated it!

As we head into our two-week half-term it only remains for me to wish you a SAFE Halloween and Bonfire Night, and a restful half-term.

Remember that the clocks go back on 29th October 2023!

Best wishes

A huge thank you from your Team

Thank you to all of our parents, carers and pupils for all of your support and hard work in helping to continue to make Egham Park a safe, educational and fun place to be.

The Big Draw!

This is the world's largest drawing festival. It was created to promote visual literacy and art education. The pupils have all been taking part in this in by drawing what they wish at the end of each day. The drawings have been amazing and very details- lots of time and effort put into them.

The pupils were very creative for Halloween, they wrote scary stories, watched a witches film and carved pumpkins! Autumn wreaths were also made using leaves.

Top Picks

Mental Health awareness

We introduced some new well being journals to the pupils which Ali, our ELSA staff member created. These are completed daily by the pupils as a supportive regulation strategy.

Pupil First Aid Workshop

We were very lucky to be able to get British Red Cross to come in and teach the pupils basic first aid and what to do in the event of an emergency. The pupils were very engaged and did practical learning as well as asking questions and responding really well to the trainer.

Runnymede National Trust

The new term for the programme is well under way and the pupils are really enjoying the sessions in the outdoors and engaging well. The topic has been all about recycling.

Gardening Award

Debbie, our teacher, has also been gardening with the pupils in our garden space, creating hanging baskets and planting various flowers, which then Debbie led the pupils to achieve a RHS Schools gardening award Level 1.

Egham Orbit

The pupils are attending regular sports activities at Egham orbit and this year they have introduced Self Defence which the pupils are really enjoying and engaging in. So much so that next year they will be attending an extra class.

IMPORTANT INFORMATION

Safeguarding over the half term break

Over the break, we are still here for all our pupils and families.

If you have any non-urgent concerns or questions, you can email the school on:

Listen@eghamparkschool.co.uk

Emails sent this email address will be answered as quickly as possible but may take up to 24hours for a response.

In case of an emergency please call:

999

If you require support from the Local Authority:
Please contact:

OFSTED

As you know we had Ofsted in for our very first inspection! We would like to say a huge thank you to those of you that were able to complete the parent questionnaires and also the pupils who had their input too. We are very grateful for your continued support, encouragement and working with us to provide the best possible education and care for your children. Without this we would not be able to make this school possible so from the bottom of our hearts Thank you!

Absence and Sickness

For any absences, sickness or late arrivals please do contact the school on 01784 913929 or email Amar at apanesar@eghamparkschool.co.uk by 8.30am.
